

Diploma in Disability

(for domestic enrolments)

Overview: The Diploma of Disability gives graduates a variety of employment opportunities within the health and disability industry. Students enjoy a supportive learning environment where care and attention is given to their individual needs. Credit for previous experience/study may apply.

The Diploma of Disability may lead graduates into a range of occupations including:

- Disability and/or Welfare Worker
- Care Officer
- Community Worker
- Social Educator

It enables you to develop skills in coordination and management of agencies delivering services to people with a disability.

This qualification incorporates the Certificate IV in Disability, for those applicants who have already completed a Certificate IV in Disability; you will be able to commence at the Diploma level.

For more information on the content offered, please contact us for a full list of available units and specialisations.

Entry Requirements: Students are required to have completed Year 12 (or equivalent), "Certificate III in Aged Care Work, Disability or similar is highly regarded."
